Re: *United States v. Nico Burrell, et al.*, 15 Cr. 95 (JPC),  
Defendant Tambobwe Moore

Dear Judge Cronan:

The parties respectfully submit this letter pursuant to this Court's order. On November 21, 2023, the defendant pled guilty to a state misdemeanor weapons possession charge based on the conduct underlying the violations of supervised release in this case, and was sentenced to three years' probation. The parties therefore intend to request that the Probation Office amend the current specifications to include a specification based on the charge to which Moore pled guilty. The parties further propose to appear before the Court to resolve this matter after the specifications are amended. If either day is convenient to the Court, the parties are available on January 2 or 8, 2024, by which time the amendment should be complete.

Respectfully submitted,

DAMIAN WILLIAMS  
United States Attorney
